FH COMPETES IN THE USA

FH UNAIR Team when competing at Philip C. Jessup Law Moot Court Competition 2019 in Washington DC

From international level, an achievement which brings pride came from Faculty of Law (FH) UNAIR Team which represented Indonesia at Philip C. Jessup International Law Moot Court Competition 2019 in Washington DC, from March 31 to April 7. FH UNAIR Team ranked 13th out of 130 countries which was an outstanding achievement since it was only their second time participating at the competition.

Dr. Intan Soepartha as the team coach explained that Phillip C. Jessup International Law Moot Court Competition is the world's largest international competition on court simulation. Participation reaches more than 680 universities all over the world in this annual competition and each team has to pass a national selection before they represent their country at international level.

"The case for this year's moot court was Differences on Natural Resources between Two Countries. In the Preliminary Round, UNAIR Jessup Team left teams from Albania, Iran, China, and Chile behind after collecting the highest score. The Team then entered the top-32 round and successfully defeated Australian Team (University of Queensland) which was last year's winner," she said.

"In the top-16 round or Octo-final round, UNAIR Team competed against American Team (Yale University) and had to admit their opponent's winning which kept them from the next round. And for the first time, UNAIR Team entered the top-16 position and ranked 13th out of 130 countries," she added.

There were four UNAIR delegates who participated at Jessup 2019, namely Regine Wiranata (2016), Megawati Widjaja (2016), Shofy Suma Nisrina (2016), Thesalonica Shinta (2017) and Dr. Intan Soepartha as their coach. In the competition, UNAIR represented Indonesia for two consecutive years. (*)

FIB STUDENTS SPEAK BEFORE A CONFERENCE IN SOUTH KOREA

Moh. Fakhru, Aditya, Dian, and Fitra when presenting their ideas on agricultural innovation in South Korea

As many as four students from Lingkar Prestasi Community, Faculty of Humanities (FIB) UNAIR had a chance to join an international conference in South Korea last March.

The four students were Fitra Riyanto, Aditya Putra Pratama, Moh. Fakhru Ardiansyah, and Dian Agustin. They represented UNAIR in the 11th Conference of Indonesian Student Association in South Korea (CISAK).

In South Korea, they offered their ideas on agricultural technology innovation which might be applicable in Indonesia.

Fitra Riyanto, one of the delegates, explained that the agricultural theme they raise started from the concern they had during their

Community Service (KKN), knowing that agriculture is still far from modern technology. The concern moved Dian Agustin, another delegate, as well to think of an innovation in agriculture.

In the digital era nowadays everything is made easier. This reality motivates Fitra and friends to promote an agricultural innovation by making use of digital technology.

"We are spreading information to farmers on the use of digital media to help them. Not merely spreading information, we hope in the digital era agriculture in Indonesia will not be displaced by modernity," Fitra said. (*)

AMBASSADOR OF THE PEOPLE'S REPUBLIC OF CHINA STEPS IN FOR A GUEST LECTURE

Faculty of Social and Political Sciences (FISIP) UNAIR invited the Ambassador of the People's Republic of China for ASEAN, H.E. Huang Xilian to give a guest lecture on Thursday, April 11. The event which was held in Adi Sukadana Room Building A FISIP UNAIR raised the theme of "China and ASEAN: Together for Vision 2030."

In his presentation, Huang elaborated plans to reinforce China and ASEAN partnership in the future. As is well known, China established a bilateral partnership with ASEAN in 1991, when they were invited as a consultative member at ASEAN Summit in Kuala Lumpur. After three decades, the relations between China and ASEAN have been going stronger.

This is evidenced by the increase in trade volume between China and ASEAN countries by 14.1 per cent in 2018. In addition, there is also increasing exchange of visits between China and ASEAN citizens. (*)
